Dear Pontiac Academy for Excellence Community,

I am honored and excited to introduce myself as the new School Leader of Pontiac Academy for Excellence Middle/High School, effective March 3, 2025. Ms. Brown will remain the School Leader of the elementary school. Having been a proud member of the PAE family since 2022, I have had the privilege of serving as an Instructional Coach and, most recently, as the Assistant School Leader. Before my experience at PAE, I had the opportunity to serve as a classroom teacher in Flint, Michigan. These experiences have deepened my commitment to our students, educators and the broader school community.

I hold a Bachelor's degree from Oakland University in Education and a Master's in Educational Leadership from Eastern Michigan University. My passion lies in fostering a collaborative, student-centered environment where academic excellence and personal growth are at the forefront. I strongly believe in utilizing data-driven practices to support our educators and ensure the success of every student.

As I transition into this new role, I look forward to continuing my work alongside our dedicated staff, engaged parents and valued stakeholders. Together, we will build on our strong foundation, creating an environment where our students are prepared not only academically but also as contributing members of society.

Thank you for your continued support. I am eager to embark on this journey with you all and look forward to the success we will achieve together.

Educationally yours,

Ms. Brewington
Middle/High School Leader
