December 7, 2020

Dear 6th and 9th Grade Parents:

Next week in your son or daughter's Health class we will be conducting Sex Ed. An outside group named the SHARE Program (shareforyou.org) will be providing the curriculum.

If you would like to opt your son or daughter out of this instruction please e-mail me at menicuccir@pontiacacademy.org and they will be excused from class for the week.

If you have any other questions or concerns, feel free to e-mail me as well!

Sincerely,

A handwritten signature in black ink that reads "Rich Menicucci".
